1) Make suitable rules to carry out the purposes of this ordinance, and for

of this ordinance. Such rules may be amended, modified or rescinded from time to
time and all rules and amendments thereof shall be printed for free public
distribution. The Commission shall initially be governed by the rules in the "Civil
Service Laws and Rules" adopted February 17, 1963, as amended and in existence as
of July 1, 1973. The Commission may thereafter supplement, amend, supersede or

tions covered by this system except as provided in this ordinance.

3) Prepare and administer examinations, which shall be graded and open to
all who meet appropriate job-related qualifications; provided that the Commission
may, by rule, designate other methods of examination based on merit when in the
Commission's judgment graded examination is not practicable. Such examinations
may include tests of physical fitness and/or manual skill. The Commission may
designate a suitable number of persons to be examiners to conduct such
examinations. A Commissioner may act as examiner.

Examinations for all classes shall be timely prepared and administered by the
Commission so as to provide at all times current registers for all classifications. Eligible registers shall remain in effect for a time determined by the Commission; provided, that no eligible register shall remain in effect for more than two (2) years.

4) Provide notice of the time and place and general scope of every examination to be held by publication in the City official newspaper not less than ten days preceding such examination, and for promotional exams by posting in the Commission office and in Police and Fire Department offices for not less than ninety (90) days, and by other notice deemed reasonable or necessary by the Commission.

5) Prepare a register for each class of positions in this system from the returns or reports of the examiners of the persons whose standing upon examination for such class is not less than the minimum established by the Commission.

Persons, when graded, shall take rank upon the register as candidates in the order of their relative excellence as determined by competitive examination. Veteran's preference in examination and appointment shall be granted as required by Federal and State law including RCW 41.08.040 and RCW 41.12.040; provided, a person shall be entitled to use such preference only once to successfully attain an appointment or promotion to a position.

6) When a vacant position is to be filled, certify to the appointing authority the names of candidates in the top 25% of the eligible register, or the top five candidates, whichever number is larger, subject to affirmative action requirements. Where more than one position in a class is to be filled, certify one additional name of the person standing next highest on the register for each additional position. The appointing authority shall fill such positions by appointment only from the persons certified by the Commission.

If there are no registers for a class, authorize temporary, provisional appointment to the vacant position. A provisional appointment shall not continue for a period longer than four months, and no person shall receive more than one provisional appointment or serve more than four months as provisional appointee in any twelve month period.
7) Make investigations concerning the enforcement and effect of this ordinance and the rules prescribed hereunder; and inspect all offices, places, positions, and employments affected by this ordinance and ascertain whether this ordinance and all such rules are being obeyed. Such investigations may be made by the Commission, or by any Commissioner or agent designated by the Commission for that purpose. Like investigation may be made on written petition of a person duly verified stating that irregularities or abuses exist, setting forth in concise language the necessity and grounds for such investigation. In the course of such investigation, the Commission shall have the power to administer oaths, subpoena and require the attendance of witnesses and the production of books and papers relevant to such investigation. Alternatively, investigation or hearing may be conducted by a delegated agent of the Commission, whose investigation may be aided by subpoenas issued by the Commission.

8) To hear and determine appeals or complaints respecting the administration of this ordinance.

9) Maintain a roster of employees of this system, and other records as may be necessary for proper administration of this ordinance, and provide all necessary records to the Personnel Director for inclusion in the City's personnel management information records system.

10) Recommend from time to time such City legislation as the Commission may deem advisable for the betterment of this system and/or the administration thereof.

Section 8. the duties assigned to the position to which the applicant seeks appointment.

Section 10. TENURE OF EMPLOYMENT: REMOVAL FOR CAUSE: The
tenure of every regular employee who is a member of this system shall be only
during good behavior and acceptable job performance, and any such employee may
be removed, suspended, demoted, or discharged for cause. Suspensions shall not
exceed thirty (30) days. Any regular employee may be removed, suspended,
demoted, or discharged by the appointing authority only upon the filing with the
Commission of a statement in writing of the reasons therefor, a duplicate of which
shall be served upon the employee. Any regular employee so removed, suspended,
demoted, or discharged may within ten days from the date of service of such state-
ment, file with the Commission a written demand for a hearing, whereupon, in due
course, the Commission shall conduct such hearing. The hearing shall be confined
to the determination of the question of whether such removal, suspension,
demotion, or discharge was made in good faith for cause. After such hearing, the
Commission may affirm the action of the appointing authority, or if it shall find
that the action was not made in good faith for cause, shall order the immediate
reinstatement or re-employment of such person in the office, place, position or
employment from which such person was removed, suspended, demoted, or
discharged. The Commission upon such hearing, in lieu of affirming the removal,
may modify the order of removal, suspension, demotion, or discharge by directing a
suspension, without pay, for up to thirty (30) days, and subsequent restoration to
duty, or demotion in classification, grade or pay. The findings of the Commission
shall be certified in writing by the appointing authority, and shall be forthwith
enforced by such officer.

All hearings pursuant to this section shall be open to the public at the request
of the employee. Hearings shall be held after due notice of the time and place of
hearing to the affected employee. The employee has the right to representation of
his/her choosing and at his/her own expense.

The Commission shall cause to be made a record of all such hearings. Upon
request, the Commission shall furnish such record to the employee.

By submitting a grievance to binding arbitration under a collective bargaining
agreement, the employee waives his/her right to demand a hearing under this
section. A complaint alleging discrimination in violation of the City's Fair Em-
ployment Practices Ordinance shall be referred by the Commission to the rights
agency of the City having jurisdiction over such complaints for its recommendation
as to appropriate settlement of the case.

Section 11. FILLING OF VACANCIES: PROBATIONARY PERIOD: Whenever
a position covered by this system becomes vacant, the appointing authority, if it
desires to fill the vacancy, shall make requisition upon the Commission for the
names and addresses of persons eligible for and willing and able to accept said
appointment. The appointing authority shall fill such vacancies by appointment
from the register of persons certified by the Commission therefor. To facilitate
the selection of appointees from the persons so certified, the appointing authority
may require such persons to come before him/her and shall be entitled to inspect
such persons' application and examination papers, and may fill such positions by
appointment from the persons so certified without regard to their order of
certification.

No appointment, employment or promotion in this system shall be deemed
complete until after the expiration of a period of one year's probationary service.
Before the expiration of the period of probation, the appointing authority may
discharge or, in the case of a promotion, demote an appointee upon filing in writing
the reasons therefor with the Commission. If an appointee is not then discharged
or demoted, his/her appointment shall be deemed complete.

covered by this system shall be evaluated in accordance with rules adopted by the
respective appointing authorities.
